SUMMARY

I'm a recent self-taught front-end developer who able to execute projects from very scratch. I'm eager and devoted to gain more experience in the field. I am a self-starter, a team player, and a multitasker programmer who excels at different projects at the same time as well as a result-oriented mind with a strong desire to take projects beginning to end. You can view my works from the links below;

EXTRACURRICULAR ACTIVITIES

- **Mountaineering (2011 – Currently)**
  I started mountaineering while I was in college in 2011. Between 2011 and 2013, I participated in several summer and winter training programs to obtain my professional certificate from the Turkish Mountaineering Federation. Moreover, I contributed to coordinating several hiking and trekking events for the college club as a volunteer and took part in many national winter and summer climbing events in different regions in Turkey. I am still interested in mountaineering to some extent.

LANGUAGE SKILLS
